

The map displays a complex arrangement of land parcels, each identified by a unique number. A prominent yellow line, likely representing a road or a significant boundary, runs diagonally from the bottom left towards the top right. A red line, possibly a railway or another major boundary, runs horizontally across the middle of the map. The parcels are color-coded in shades of green, yellow, and brown, indicating different land uses or ownership types. The legend in the bottom right corner provides additional context, including a scale bar and a north arrow.
